## NEUTER SCOOTER – CATS ONLY

[www.neuterscooter.com](http://www.neuterscooter.com)

- We offer an innovative approach to controlling cat overpopulation by making spay/neuter services convenient and affordable to everyone. With our mobile veterinary clinics, we can go wherever we are needed. Cats are Checked-In in the morning and discharged in the evening of the same day to recover at home. We perform safe, sterile procedures on cats 6 weeks & up.
- \$40.00/cat if you pay in advance; \$50.00/cat on the day of the clinic; includes vaccines
